## 7th International Workshop on LIGHTWEIGHT CRYPTOGRAPHY FOR SECURITY & PRIVACY

11 October 2026 • Royal Seginus Hotel, Lara, Antalya, Türkiye

(Affiliated Event of CHES 2026, organized by IACR, [ches.iacr.org/2026/](https://ches.iacr.org/2026/))

### INVITATION

Dear Stakeholder,

We are pleased to invite you to LightSec 2026, an officially affiliated event of CHES 2026, where current academic studies, research outcomes, and practical experiences in information security, cryptology, and digital technologies will be discussed.

Bringing together academia, public institutions, research centres, and industry representatives, LightSec 2026 aims to strengthen interdisciplinary interaction, promote the sharing of scientific knowledge, and create opportunities for collaboration.

Through the papers, tutorials, and sessions to be held within the scope of the workshop, participants will have the opportunity to evaluate current developments, meet experts in the field, and develop new collaborations.

In this context, we would be honoured to see your institution among the stakeholders of LightSec 2026, and we believe that your contributions will add significant value to the academic quality and impact of the workshop.

Sincerely,

**LightSec 2026 Organizing Committee**

### WORKSHOP TOPICS

#### **Lightweight Cryptography**

Efficient and secure cryptographic approaches for resource-constrained systems

#### **Post-Quantum Cryptography**

Encryption methods resilient against next-generation threats

#### **Efficient cryptographic solutions for blockchain applications and its ecosystem**

Efficient cryptographic protocol design and analysis

## ORGANIZING COMMITTEES

### General Chair

- Ahmet SINAK, Akdeniz University, Antalya, Türkiye

### Program Co-Chairs

- Aydın AYSU, Electrical and Computer Engineering, NC State University, USA
- Elif Bilge KAVUN, Barkhausen Institut & Faculty of Computer Science, Dresden University of Technology, Dresden, Germany

### Organizing Committee

- Murat AK, Akdeniz University, Türkiye
- Sedat AKLEYLEK, University of Tartu, Estonia
- Mustafa ALKAN, Akdeniz University, Türkiye
- Melis ASLAN, FAME CRYPT, Türkiye
- Aslı BAY, Antalya Bilim University, Türkiye
- Orhun KARA, İzmir Institute of Technology, Türkiye
- Neşe KOÇAK, ASELSAN, Türkiye
- Kamil OTAL, TÜBİTAK-BİLGEM, Türkiye
- Mustafa ÖZDEMİR, Akdeniz University, Türkiye
- Erkay SAVAŞ, Sabancı University, Türkiye

## GENERAL INFORMATION

**LightSec 2026:** 7th International Workshop on Lightweight Cryptography for Security & Privacy

**Event Date:** October 11, 2026

**Event Venue:** Royal Seginus Hotel, Lara, Antalya, Türkiye

**Event Type:** International Academic Workshop

**Focus Area:** Lightweight Cryptography for Security and Privacy

**Paper Submission Deadline:** June 19, 2026

**Author Notification:** August 21, 2026

**Camera Ready for Pre-Workshop Proceedings:** September 21, 2026

**Camera Ready for Post-Workshop Proceedings:** October 26, 2026

**Website:** <https://lightsec2026.com/>

**E-mail:** [info@lightsec2026.com](mailto:info@lightsec2026.com)

## LIGHTSEC 2026 SPONSORSHIP PACKAGES

LightSec provides two main sponsorship opportunities tailored to organizations of various sizes. Sponsors of LightSec can capitalize on the chance to elevate their company's profile and align themselves with the foremost event in the realm of lightweight cryptography. We invite you to explore the sponsorship categories listed below. Alternatively, please feel free to evaluate the other sponsorship opportunities such as covering costs of social events, coffee break and gala dinner. We are also open to non-financial in-kind donations such as your products, promo materials, best paper award and various gifts to be given to participants. LightSec offers a variety of sponsorship opportunities suitable for organizations of all sizes.

### PLATINUM Sponsor

Platinum sponsorship offers the highest level of brand visibility and institutional representation within the event. Platinum sponsors are positioned as “Platinum Sponsors” on the website, in digital announcements, and in sponsorship materials. Where appropriate, they may benefit from opportunities such as a speaking slot, contribution to a special session, or high-level institutional promotion. In addition, corporate promotion space may be arranged in the event area, and customizable visibility rights may be evaluated together with the organizers.

### GOLD Sponsor

Gold sponsorship provides the institution with a high level of visibility and direct contact with the target audience. Gold sponsors are presented as “Gold Sponsors” on the website, in digital announcements, and in sponsorship materials. They are positioned on visible sponsorship surfaces within the event area and may benefit from supported promotion. In addition, corporate promotion support is provided to help the institution communicate effectively with the target audience.

### Sponsorship Framework

Package	Visibility	Benefits	Fee
<b>PLATINUM Sponsor</b>	Highest-level logo and institutional visibility	Evaluation of a speaking opportunity or program contribution where appropriate, and extended corporate promotion support	From <b>1.500 Euro</b> + VAT
<b>GOLD Sponsor</b>	High-level logo and name visibility	Visible sponsorship placement within the program flow and brand promotion support	From <b>1.000 Euro</b> + VAT
